

## School Accessibility Feedback Tool

### Report an Accessibility Barrier or Support

At Northside Christian School, we want to learn about specific barriers or helpful supports that people encounter when they are trying to:

- Access a school program, building, or school information
- Receive a service or support

The Northside Christian School Accessibility Committee will review your feedback quarterly. Your feedback will be used for the revision of future accessibility planning. If you need an accommodation for your student or if this is an urgent matter, please contact the school directly.

1. Please provide the date the barrier or support was experienced.
2. Please select the location the barrier or support was experienced.
3. What were you or someone you know trying to access?
4. Accessibility barrier or support details (be as specific as possible).
5. Do you have any recommendations for what would make it better?
6. Attach files if you wish to provide additional information (e.g., video, voice recording, photos)
7. Do you wish to be contacted about your responses? Yes No

If yes, please provide your name and email or phone number. Responses will be checked regularly.

Thank you for providing your valuable feedback!
